

Dear Colleague,

Greetings from CSI Ahmadabad Chapter !

CSI Ahmadabad Chapter is pleased to invite you to attend a Public Lecture cum live demonstration on “Security Solutions for SMB/Corporate & Enterprise” which is jointly organised by **Pace Computer Cons. Pvt. Ltd.and MICROWORLD** as per following details.

Title: Security Solutions for SMB/Corporate & Enterprise

Date &Time: Saturday, 8th February, 2014 at 4.00 pm

Venue : AMA Lecture Hall, Atira Campus
Dr. Vikram Sarabhai Marg,
Vastrapur, Ahmedabad

Speaker's Profile : Mr. Amancio Britto, Solution Architect from MicroWorld. Inc. Developer of eScan Security Solutions.

Mr. Amancio has been one of the main proponents of this program for several years, and it a true stand out in this field. He has a great understanding of the program and a great appreciation of what it takes to truly make continue on a path of progress, and a remarkable vision of the future of Corporate Endpoint Solutions. He has total 19 Years Corporate business experience and out of that 15 years with Microworld (eScan).

Brief coverage: The talk will cover technical aspects of security solutions, how they are different for SMB/Corporate & Enterprise, challenges and solutions available from vendors in general and MicroWorld. Inc. particular. Features desired and offered will also be discussed. What precautions users’ must take while selecting products.

Live demonstrations will be done at the same hall from 11 am to 5.30 pm

Thanking you in anticipation.

Regards

Jayesh M. Solanki
