Shri S Mahalingam

Mr Seturaman Mahalingam or “Maha” as he is better know has - over 42 years of experience in TCS, started his professional career with TCS in 1970 as an IT Consultant before being appointed its Chief Financial Officer (CFO) in 2003 and Executive Director in 2007. He played a major role in marketing TCS services across the globe, developing processes and creating large software development centres for the company. During his career at TCS, he has managed key functions in TCS including marketing, operations, education and training as well as human resources; has looked after overseas operations in the US and UK. As an early starter in the Indian IT industry, Maha has played a key role in helping TCS become a \$10.17 billion global company with over 238,583 employees.

Mr. Mahalingam’s experience, during the formative years of the IT industry in the 1970s and 1980s, has given him a significant standing within the IT industry. He was the President of CSI during 2009-10. He was also the President of the Institute of Management Consultants of India. Besides CMC, he is also on the Boards of City Union Bank Ltd., IIT Madras Research Park, Board Member, National Skill Development Corporation and Member of Tax Administration Reform Commission, GOI

Awards

In 2006, He was conferred the “**CFO of the Year**” award announced by International Market Assessment (IMA). He was also the winner of CNBC TV18’s “**Best Performing CFO Award**” in the Technology Sector for 2007.
