### ABOUT CSI AHMEDABAD CHAPTER

The Ahmedabad Chapter of CSI started functioning during 1969 and today it has grown in the area of research and innovation by organizing seminars, conferences, public talks on different subjects, student awareness programs and many more.

CSI Ahmedabad Chapter has received “Best Chapter Award” under region III consecutively since the last seven years, The chapter has constantly tries to improve its performance by organizing various technical and social activities. Today, the Ahmedabad Chapter has more than 500 life members, institutional members and 20 Student Branches with more than 1500 student members

Computer Society of India is the recognized Association for Information and Communications Technology (ICT) professionals, attracting a large and active membership from all levels of the industry. A member of the Computer Society of India is the public voice of the ICT profession and the guardian of the professional ethics and standards in the ICT industry. We also work closely with other Industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every citizen of India.

The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. The CSI is also working closely with other industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every single citizen of India.

The journey of around four decades old chapter has lot many historical remembrance and without the efforts of senior members of Ahmedabad Chapter these achievements may not be possible.
